

Order Instructions

Step 1: Check the size of your filter panel. If your filter panel is less than 24x24, order on the left side. If it is 24x24 or larger, order on the right side.

Step 2: Select the package you desire (3-Pack, 6-Pack, 12-Pack, 24-Pack)

Step 3: Type in the size of your filter panel in the size box. **Note: For Dynamic console units, overhead units or RS-2/3, just enter CT100, CT500, OH1010, RS-2 or RS-3.**

Step 4: Type in the quantity of packages you desire.

Step 5: Add to cart.

Check out using your credit card or PayPal account.

Instructions for ordering multiple sizes using PayPal checkout

Step 1: Fill in first size to be ordered in appropriate box. Remember to also include quantity.

Step 2: Add to cart.

Step 3: Click on "Continue shopping" button on PayPal page.

Step 4: Fill in second size to be ordered in appropriate box. Each entry will show up as a new size. Remember to also include quantity.

Step 5: Add to cart.

Continue adding to cart in this way until all of your sizes are listed in your shopping cart.
